**IF YOU WERE OUT OF BUSINESS IN THIS COUNTY ON JANUARY 1, PLEASE MAKE A NOTE ON THE REVERSE SIDE OF THIS FORM IN THE NOTES SECTION. GIVE US THE DATE OF CLOSURE, SIGN AND DATE AND RETURN THE FORM TO OUR OFFICE, IN ORDER TO AVOID A FORCED ASSESSMENT.**

**PART II. OWNED PERSONAL PROPERTY**

Report all personal property owned by you or held for use in your business or profession as of January 1, including items fully depreciated on your accounting records. Do not report inventories of merchandise held for sale or exchange or finished goods in the hands of the manufacturer.

Personal property leased or rented and used in your business must be reported in PART III of this schedule and not in this section. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. Qualified pollution control equipment must be reported in Part V of this schedule.

A separate schedule should be filed for each business location.

List the total acquisition cost new for each group below by the year the property was new (typically the year made) in the REVISED COST column. For property purchased as used, if the cost new or year the property was new is not known and cannot reasonably be determined, you may report the actual acquisition cost to you for the year you acquired the property. If COST ON FILE is printed on the schedule, you need only report new cost totals in the REVISED COST column resulting from acquisition or disposition of property.

ALTERNATIVE REPORTING FOR SMALL ACCOUNTS - If you believe the depreciated value of your property is \$1,000 or less, you may use the small account certification (reverse side) as an alternative to reporting detail costs below. With this certification, subject to audit, your assessment per this schedule will be set at \$300.
